EPISCOPAL FOUNDATION OF DALLAS HISTORY AND OVERVIEW

The Episcopal Foundation of Dallas was established by the Diocesan Convention of 1950 at the request of Bishop C. Avery Mason. Before its creation, all valuables bequeathed to the church were managed by the bishops in succession - Bishops Garrett, Moore, and Mason. As the funds grew in value and numbers, the responsibility became too great for one person. At that time, Bishop Mason asked for a Foundation to be established to invest and administer the trust funds of the diocese.

The Foundation's trustees were originally nominated by the Bishop and elected for a three-year term by the Diocesan Convention. Board members have included well-known civic leaders such as Leo Corrigan, Jr., W.W. Lynch, Rodney Hargrave, Charles Aberg, Jr., John Stemmons, Cecil Green, J. Irion Worsham, W.R. Newsom, Jr., Henry Beck, Jr., John G. Penson, John Rauscher, Robert B. Payne, Jon L. Mosle, Jr., Don M. Houseman, John R. Taylor, Jr., F.B. Goldman, Riter C. Hulsey, Louis Beecherl, Jr., W. Plack Carr, Jr. and William B. Madden.

Today, trustees are nominated and elected by the current Board of Trustees, the Bishop is an ex-officio member of that board, and the Foundation operates as a separate, independent entity, outside the jurisdiction of the Episcopal Diocese of Dallas, The Episcopal Church, and the Diocesan and General Conventions of the Church.

The Foundation is organized as a Texas non-profit corporation and is qualified as a Section 501(c)(3) tax-exempt organization. For over sixty-five years, the Foundation has fulfilled its mission through careful stewardship of the permanent trusts and other long-term investment assets entrusted to it. In 1964, the Foundation's services broadened to include an annual grant program. The grant program expanded considerably in 1988 with the establishment of the Episcopal Fund, an unrestricted endowment for the Foundation.

All investment assets are pooled and invested according to the same investment guidelines. The portfolio is diversified, both as to fixed income and equity holdings, and includes international and alternative components. The Investment Committee is responsible for supervision of the investment portfolio of the Foundation, subject to the stated Investment Policy Statement. Many financially astute Episcopalians have faithfully and competently managed Episcopal Foundation of Dallas over the past decades and that tradition continues today.

HISTORY OF EPISCOPAL FOUNDATION OF DALLAS & THE EPISCOPAL DIOCESE OF DALLAS

The Episcopal Foundation of Dallas (EFD) was established by the Diocesan Convention of 1950, at the request of Bishop C. Avery Mason, with a vision to bring together "the best business brains in the diocese" to invest and administer the trusts and endowments of the Diocese and its parishes, schools, and missions.

1948-1996

- The Foundation was initially incorporated in December 1948 under the name of the Cathedral of Dallas.
 - The initial charter noted that its purpose was in furthering and developing the benevolent, charitable, educational, and missionary activities to the Diocese of Dallas. This included build and maintain a cathedral, Diocesan Center, churches, hospitals, assist in paying the capital and operating expenses, etc.
- In July 1951, the name was changed to the Episcopal Extension Foundation.
 - In May 1960, the name was changed to Episcopal Funds, with restated Articles of Incorporation.
 - This restatement included the initial charter purpose, as well as the addition to acquire hospitals or clinics to administer to those in need and to develop doctors in medicine and surgery, as well as develop women in the nursing profession (i.e. The Gaston Episcopal Hospital).
- In August 1965, the IRS notified Episcopal Funds that it no longer met tax-exempt requirements.
- In February 1966, restated Articles of Incorporation were filed and later that year the IRS ruled that Episcopal Funds did meet tax-exempt status.
 - The restated Articles included that it was organized and operated exclusively for charitable, religious and educational purposes so that no part of its income or property should privately benefit any one individual that has activities with Funds; shall not directly or indirectly attempt to influence legislation; and to serve the Diocese of Dallas and its activities (same initial charter purpose), as well as hospitals, schools, etc.
 - The Articles also included a provision for the delegates to the Convention to be members to elect Trustees of Episcopal Funds.
- From 1981-1983, Episcopal Funds granted their real property interest in Gaston Episcopal Hospital to the Episcopal Asset Management Corp, for economic reasons.
- In 1988, The Episcopal Asset Management Corp. received \$1.5 million from a portion of the sale of Gaston Episcopal Hospital.
 - The President of Episcopal Funds, Plack Carr and attorney Bob Payne approached the Bishop, the Episcopal Asset Management Corp and the convention of the Diocese to reactivate Episcopal Funds and have the assets previously granted to the Episcopal Asset Management Corp returned to serve as an endowment to fund the Diocesan community through an annual grant program.

- In January 1989, Episcopal Funds reconvened its board and that November changed its name to the Episcopal Foundation of Dallas.
 - Restated Articles were essentially those of February 1966.

1996-2015

- In June 1996, the Episcopal Asset Management Corp merged into the Episcopal Foundation of Dallas.
 - This merger united all Episcopal money in the Diocese and it effectively placed the Gaston Episcopal Hospital Foundation Fund in the care of EFD.
 - Prior to this merger, the Episcopal Asset Management Corp also managed Gaston funds.
 - An Investment Advisory Committee of EFD was instituted.
 - EFD patterned its legal structure in order to attract substantial donors in the form of *Advise and Consult* funds as well as individual donations.
 - The Articles were revised to eliminate the voting rights of the members (Diocesan delegates) to elect the trustees.
 - Bylaws were updated noting that the trustees were the sole nominators of new trustees, subject to the reasonable approval of the Bishop (and eliminated the Bishop's nominee). The Bishop continued as an ex officio trustee.
 - Bylaws were updated that trustees could serve no more than three consecutive three-year terms (after nine consecutive years of service, a trustee could be eligible for re-election after one year had passed).
- In October 1998, the name of the corporation was changed to the Episcopal Foundation of the Diocese of Dallas.
 - At approximately the same time, a new organization with a unique tax ID named the Episcopal Foundation of Dallas was formed for the purpose of soliciting donor advised funds.
- In March 2003, the name of the corporation was changed back to the Episcopal Foundation of Dallas.
 - The 1998-formed Episcopal Foundation of Dallas ceased operate and its funds were transferred back to EFDD and the name was changed back.
 - The Articles were revised to "The Corporation has no members." (Eliminated Diocesan delegates as members).
- In December 2005, the bylaws were changed so that the board may extend the number of consecutive terms one or more trustees may serve by up to two additional three-year terms.
- In December 2015, the bylaws were updated that trustees could serve no more than three consecutive three-year terms (after nine consecutive years of service, a trustee could be eligible for re-election after one year had passed).

Current General Information

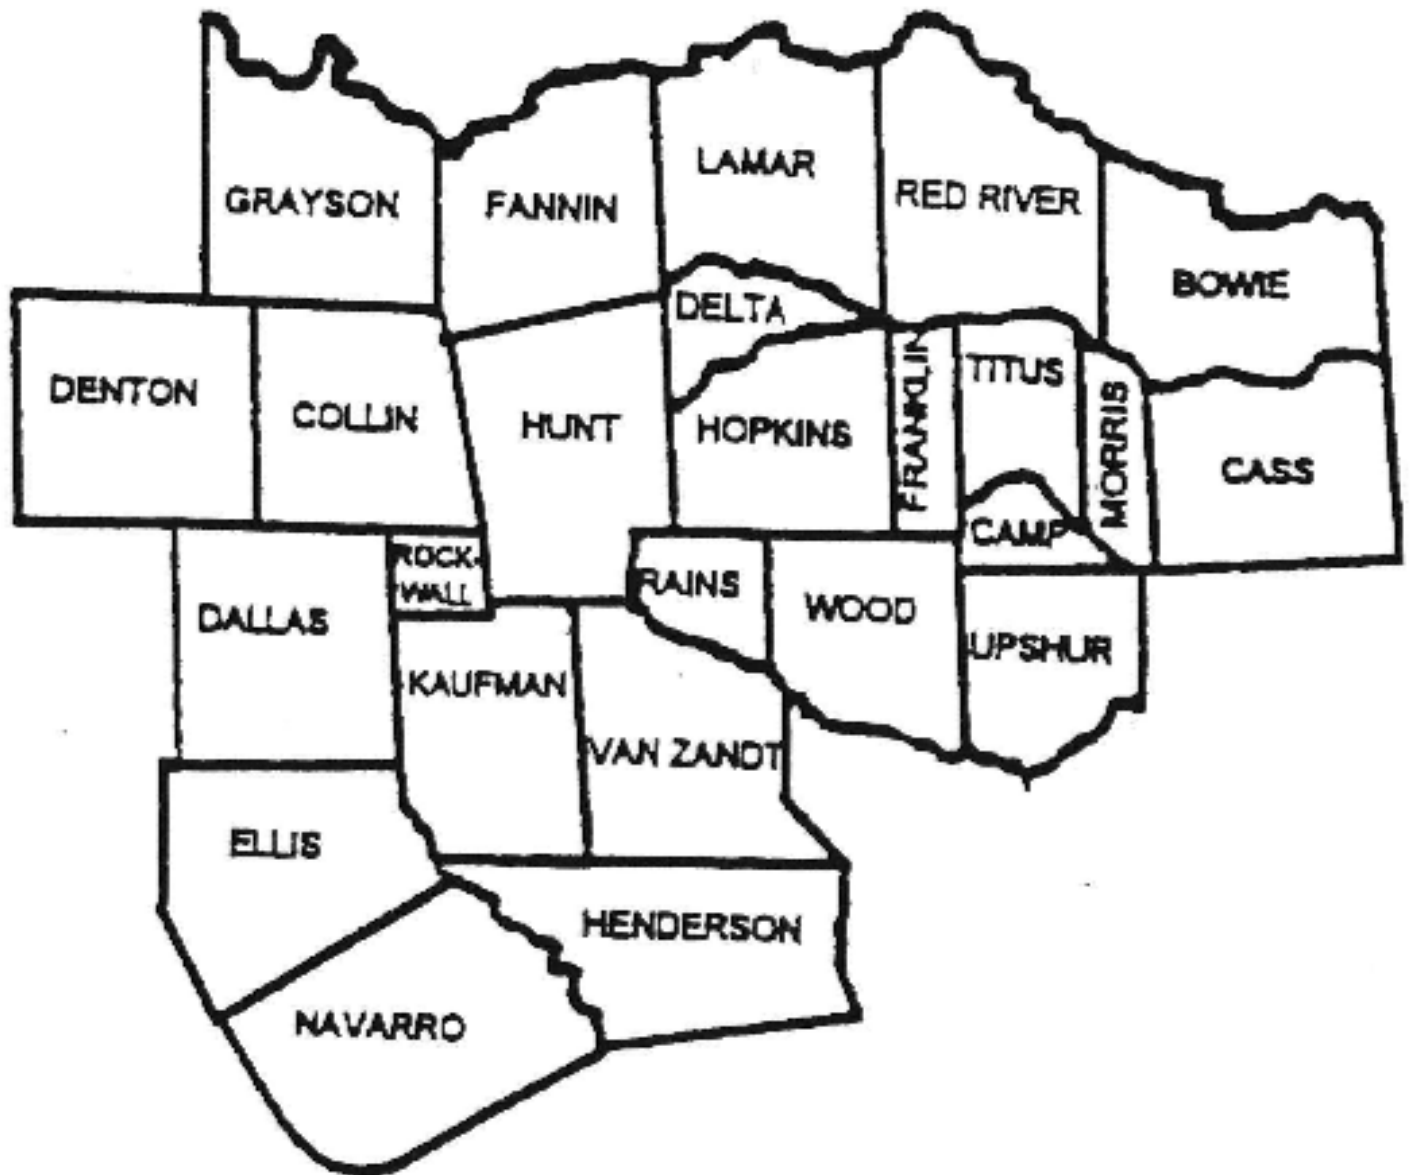

- EFD is organized as a Texas non-profit corporation and has IRS recognition as described in both Sections 501(c)(3) and 509(a)(3) of the Internal Revenue Code.
 - In 2012, the IRS amended its definition of supporting organizations

- under 509(a)(3), which EFD had been previously been recognized.
 - o In June 2015, the IRS sent notification and officially declared EFD an integrated auxiliary of a church, a Type II supporting organization under 509(a)(3), and not a private foundation.
 - o As an integrated auxiliary, some investment management services for non-Diocesan organizations are permissible.
 - o However, EFD should not expand its grantmaking outside of the Diocese, because doing so would jeopardize its exempt status (per Dec. 22, 2014 letter to EFD from Weycer, Kaplan, Pulaski & Zuber, P.C.)
- EFD is a fiduciary, meaning that the assets of EFD do not include the funds that they manage for other clients (i.e., church endowments, etc.).
 - o Therefore, if anyone were to sue the Diocese, these particular funds would not be subject to the suit, as they are individually owned.
- EFD is professionally managed and governed by its own member Board of Trustees, comprised of men and women active in the church. The Bishop of the Episcopal Diocese of Dallas serves as an ex officio voting member of the Board.
- As of December 31, 2016, EFD managed a total of \$40.2 million.
 - o \$5.0 million for EFD funds and accounts
 - o \$5.9 million for the Gaston Episcopal Hospital Foundation
 - o \$29.3 million for 19 clients, including \$10 million of Diocesan funds
 - o The Episcopal Fund, a separate fund within the Episcopal Foundation of Dallas, has grown from \$1.5 to \$4 million and distributed over \$2.8 million in grants benefiting parishes, schools, and other non-for-profit agencies throughout the Dallas Diocese.
 - o Any Episcopal church, school, agency or other not-for-profit organization located within the Diocese of Dallas, that fulfills the mission of the Diocese, may apply for a grant from the Foundation.
 - o Organizations that are not affiliated with the Episcopal Diocese of Dallas are brought to the attention of the Diocese to ensure that they comply with its mission.
- In the spring of 2014, EFD initiated a Strategic Plan, with Bishop Lambert participating in addition to other board members. EFD's mission statement was expanded and a vision statement and values were approved.
 - o The Mission of EFD is to expand the Kingdom of God through disciplined investing for transformative ministries.
 - o The Vision of EFD is to be a leader in financial stewardship that transforms communities of faith in the expansion of the Kingdom of God.
 - o EFD Values
 - We practice disciplined investing
 - We identify and support transformative ministries
 - We serve with integrity
 - We are motivated by Christian faith
 - We are prayerful in all decisions
 - We are led committed laity

- In 2017, EFD engaged The Richards Group to guide us through a rebranding process. EFD's mission statement, vision, and values were updated and approved as the following:
 - **EFD Mission:** The Episcopal Foundation of Dallas exists to strengthen and support faith communities by partnering wise investments with purposeful giving.
 - **EFD Vision:** The Episcopal Foundation of Dallas aspires to free our ministries – grow wealth through wise investments, lift financial burdens of those who serve, and maximize the impact of our shared missions.
 - **EFD Values**
 - We support ministries of social engagement of the Gospel
 - We practice disciplined investing
 - We are motivated by the Christian faith
 - We are led by committed laity and clergy
- The Richards group helped us to define our **SPHERICAL® BRAND PROMISE** as follows:
 - **Brand Vision**
Free our ministries
 - **Brand Positioning**
To Episcopal investors, the Episcopal Foundation of Dallas is the investment choice that faithfully partners wise investments with purposeful giving
 - **Brand Personality**
A generous, faithful, engaged expert
 - **Brand Affiliation**
Kingdom maximizers
- EFD initiated new funding priorities in collaboration with the Episcopal Diocese of Dallas in order to make a greater impact with our granting. The new funding priorities have been narrowed to basic needs, specifically in the areas of homelessness, food insecurity, and poverty.
- In 2018, the Gaston Episcopal Hospital Foundation was officially renamed as the Episcopal Health Foundation of Dallas.
- In the Fall of 2021, EFD initiated a strategic plan. Three strategic directions were identified. 1) Positioning EFD to Raise More Money, 2) Optimizing the Grant Structure for Greater Impact and Exposure, and 3) Strengthening the Board for Growth.
- As of December 31, 2021, EFD managed a total of \$52.7 million.
- In 2022, the Episcopal Health Foundation of Dallas was merged with the Episcopal Foundation of Dallas. The combined assets as of December 31, 2022 were \$12,496,973. EFD grant priorities were modified and are now: serving ministries, and to meet the needs of those in poverty: which include homelessness, food insecurity, and health insecurity.

RELATIONSHIP TO EPISCOPAL DIOCESE OF DALLAS

Section 1.1 General. The business and affairs of Episcopal Foundation of Dallas, a Texas non-profit corporation (hereinafter called the "Corporation"), shall be conducted on a basis that is in harmony with the spirit and intent of the Constitution and Canons of the Protestant Episcopal Church in the United States of America and of the Episcopal Diocese of Dallas, serving as a supporting organization for, and supporting the Christian Mission, a ministry of the Episcopal Diocese of Dallas under Sections 501(c)(3) and 509(a)(3) of the Internal Revenue Code of 1986, as amended (the "Code").

ARTICLE II

POWERS

Section 2.1 Powers. The Corporation is a non-profit corporation and shall have all of the powers, duties, authorizations and responsibilities as provided in the Texas Business Organizations Code; provided, however, the Corporation shall neither have nor exercise any power, nor engage directly or indirectly in any activity, that would invalidate its status as a corporation that is exempt from federal income tax as an organization described in Sections 501(c)(3) and 509(a)(3) of the Code.

ARTICLE III

BOARD OF TRUSTEES

Section 3.1 General Powers. The business and affairs of the Corporation shall, except as otherwise expressly provided by law, be managed by the Board of Trustees, which may exercise all such powers of the Corporation and do all such lawful acts and things as are permitted by statute, by the Amended and Restated Articles of Incorporation, or by these Bylaws. In addition to all the general powers that are available to the Board to manage the affairs of the Corporation, the Board shall have the specific power to engage investment advisors, money managers, brokers, agents and custodians (collectively, "Investment Professional") to assist in selecting, purchasing, holding or disposing of investments on behalf of the Corporation. No trustee shall be liable for any actions taken by any Investment Professional if the trustee acted in good faith and employed ordinary care when selecting and overseeing the actions of the Investment Professional.

Section 3.2 Trustee Qualifications. All Trustees must be a member in good standing of a parish located within the Episcopal Diocese of Dallas and must make meaningful annual pledges to their parish. At least a majority of Trustees must currently serve or have in the ten years prior to the time of initial election served in a leadership position within the Episcopal Diocese of Dallas either at the diocese or a parish located within the diocese. Examples of such positions are: clergy, member of the diocesan standing committee or executive council, vestry member, treasurer, chancellor, capital campaign chairman, endowment director or trustee, or a board member, trustee or advanced leadership role of an Episcopal school located within the diocese. The forgoing list is intended to include only examples and other positions may qualify. Any Trustee who does not meet the leadership position standard must fill a specific need on the Board of Trustees such as investment professional, attorney, accountant, development or marketing professional.

Section 3.3 Number, Election and Term of Office. The Bishop of the Diocese of Dallas shall be an ex officio voting member of the Board of Trustees of the Corporation. In the absence of a Bishop, or by designation by the Bishop, a Bishop Suffragan or clerical member of the Diocese Standing Committee may serve in his/her place. In addition to the Bishop, the Board of Trustees shall consist of such number of trustees (not less than three) as shall be established from time to time by resolution of the Board of Trustees. Each trustee shall serve for a period of three years or until a successor is duly elected and qualified. The Board of Trustees shall select all trustees. No trustee may serve for more than three consecutive three-year terms; after nine consecutive years of service, such person shall not be eligible for election to the Board until one year has passed during which such person is not a trustee.

Section 3.4 Advisory Council. To assist and support the Board of Trustees, the Board shall have power from time to time to appoint persons to serve as members of the Advisory Council. Members of the Advisory Council shall serve until the next annual meeting of the Corporation or until their successors are duly elected and qualified. Members of the Advisory Council shall serve in an advisory role to the Board of Trustees, but shall have no vote as to the business and affairs of the Corporation.

Section 3.5 Trustees Emeritus. The Board of Trustees may designate any trustee, who has (a) served with particular distinction on the Board, (b) made exemplary contributions to the work of the Board and the Corporation, and (c) served a maximum number of terms, as Trustees Emeritus, such Trustees Emeritus to have a seat and voice at meetings of the Board of Trustees but to have no vote with respect to the business and affairs of the Corporation.

Section 3.6 Meetings. The Board of Trustees shall meet annually to elect trustees and appoint officers for the ensuing year and to transact such other business as may properly come before the meeting. The Board, by resolution, may provide for the holding of other regular meetings and may fix the time and place of holding the same. Special meetings of the Board of Trustees shall be held whenever called by the Chairman of the Board, the President or by any three trustees.

Section 3.7 Place of Meeting. The Board shall hold its meetings at the registered office of the Corporation in Dallas, Texas, or at such other place or places within or without the State of Texas as the Board of Trustees may from time to time determine, or as may be designated in the notice or in waivers of notice thereof, signed by all of the trustees not in attendance at such meeting.

Section 3.8 Notice of Meetings. Except as hereinafter provided, notice need not be given (i) of any regular meeting of the Board of Trustees, or (ii) with respect to an adjourned meeting, if the time and place thereof is set at a meeting duly called and adjourned, or (iii) with respect to any meeting where every member of the Board of Trustees is present. Except as otherwise required by law, notice of the time, place and purpose of holding each other meeting of the Board of Trustees shall be given to each trustee at least two (2) days before the day on which the meeting is to be held. The attendance of a trustee at any meeting shall constitute a waiver of a notice of such meeting, except where a trustee attends a meeting for the express purpose of objecting to the transaction of any business thereat because such meeting is not lawfully called or convened.

Section 3.9 Quorum and Manner of Acting. At each meeting of the Board of Trustees, not less than a majority of the total number of trustees must be present to constitute a quorum for the transaction of business, and the act of a majority of the trustees so present at a meeting at which a quorum is present shall constitute the act of the Board. Whether or not there is a quorum, at any meeting, a majority of the trustees who are present may, by resolution fixing the time and place for the holding of an adjourned meeting, adjourn the meeting and may by similar action successively adjourn and re-adjourn the meeting until the business to be transacted thereat shall be done.

Section 3.10 Vacancies. Any vacancy in the Board arising at any time, whether through the failure of the members to elect a full Board, an increase in the size of the Board or through any other cause, shall be filled by a vote of a majority of the trustees remaining in office although such majority is less than a quorum. Any trustee so appointed or elected shall hold office until the next annual meeting of the Board and until his successor shall have been duly elected and qualified unless sooner displaced.

Section 3.11 Resignation and Removal of Trustee. Any trustee may resign by written notice to the Chairman of the Board or President. Any trustee of the Corporation may be removed with or without cause by the vote of two-thirds of the whole Board.

Section 3.12 Telephone Meetings. Subject to the provisions of applicable law and these Bylaws regarding notice of meetings, members of the Board of Trustees or members of any committee designated by the Trustees may, unless otherwise restricted by statute, by the Amended and Restated Articles of Incorporation or by these Bylaws, participate in and hold a meeting of the Board of Trustees or committee by using conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this Section 3.12 shall constitute presence in person at such meeting, except when a person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting was not lawfully called or convened.

ARTICLE IV

The chairman of such meeting shall appoint a person to act as secretary of the meeting who shall keep the minutes of the meeting. Section 4.5 Meetings. Each Committee shall adopt its own rules governing the time and place of holding and the method of calling its meetings and the conduct of its proceedings, and shall meet as provided by such rules or by resolution of the Board; and it shall also meet at the call of any member of the committee. in the case of conduct in his official capacity as a trustee of the Corporation, that his conduct was in the Corporation’s best interests; and

in all other cases, that his conduct was at least not opposed to the Corporation’s best interests; and

(iii) in the case of any criminal proceeding, had no reasonable cause to believe his conduct was unlawful.

(b) A trustee may not be indemnified under Section 13.2(a) for obligations resulting from a proceeding:

(i) in which the person is found liable on the basis that personal benefit was improperly received by hire, whether or not the benefit resulted from an action taken in the person's official capacity; or

(ii) in which the person is found liable to the Corporation.

(c) The termination of a proceeding by judgment, order, settlement or conviction or on a plea of *nolo contendere* or its equivalent is not of itself determinative that the person did not meet the requirements set forth in Section 13.2(a).

(d) A person shall be indemnified under Section 13.2(a) against judgments, penalties (including excise and similar taxes), fines, settlements and reasonable expenses actually incurred by the person in connection with the proceeding; but if the proceeding was brought by or in behalf of the Corporation, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

(e) A determination of indemnification under Section 13.2(a) must be made:

(i) by a majority vote of a quorum consisting of trustees who at the time of the vote are not named defendants or respondents in the proceeding.

(ii) such a quorum cannot be obtained, by a majority vote of a committee of the Board of Trustees, designated to act in the matter by a majority vote of all trustees, consisting solely of two or more trustees who at the time of the vote are not named defendants or respondents in the proceeding; or

(iii) by special legal counsel selected by the Board of Trustees or a committee of the Board by vote as set forth in Sections 13.2(e)(i) or (ii), or, if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all trustees.

(f) Authorization of indemnification and determination as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination as to reasonableness of expenses must be made in the manner provided by Section 13.2(e)(iii) for the selection of special legal counsel. A provision contained in the Certificate of Formation, these Bylaws, a resolution of trustees or an agreement that makes mandatory the indemnification permitted under Section 13.2(a) shall be deemed to constitute authorization of indemnification in the manner required by this Subsection even though

such provision may not have been adopted or authorized in the same manner as the determination that indemnification is permissible.

(g) The Corporation shall indemnify a trustee against reasonable expenses incurred by him/her in connection with a proceeding in which he is a named defendant or respondent because he is or was a trustee if he has been wholly successful, on the merits or otherwise, in the defense of the proceeding.

(h) If, in a suit for the indemnification required by Section 13.2(g), a court of competent jurisdiction determines that the trustee is entitled to indemnification under that Subsection, the court shall order indemnification and shall award to the trustee the expenses incurred in securing the indemnification.

(i) If, upon application of a trustee, a court of competent jurisdiction determines, after giving any notice the court considers necessary, that the trustee is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not he has met the requirements set forth in Section 13.2(a) or has been adjudged liable in the circumstances described by Section 13.2(b), the court may order the indemnification that the court determines is proper and equitable. The court shall limit indemnification to reasonable expenses if the proceeding is brought by or in behalf of the Corporation or if the trustee is found liable on the basis that personal benefit was improperly received by him/her, whether or not the benefit resulted from an action taken in the person's official capacity.

(j) Reasonable expenses incurred by a trustee who was, is or is threatened to be made a named defendant or respondent in a proceeding shall be paid or reimbursed by the Corporation in advance of the final disposition of the proceeding after.

(i) the Corporation receives a written affirmation by the trustee of his good faith belief that he has met the standard of conduct necessary for indemnification under this Article XIII and a written undertaking by or on behalf of the trustee to repay the amount paid or reimbursed if it is ultimately determined that he has not met those requirements; and

(ii) a determination that the facts then known to those making the determination would not preclude indemnification under this Article XIII.

(k) The written undertaking required by Section 13.2(j) must be an unlimited general obligation of the trustee but need not be secured. It may be accepted without reference to financial ability to make repayment. Determinations and authorizations of payments under Section 10.2(j) must be made in the manner specified by Section 13.2(e) for determining that indemnification is permissible.

(l) A provision for the Corporation to indemnify or to advance expenses to a trustee who was, is or is threatened to be made a named defendant or respondent in a proceeding, whether contained in the Certificate of Formation, these Bylaws, a resolution

of members or trustees, an agreement or otherwise, except in accordance with Section 13.2(g), is valid only to the extent it is consistent with this Article XIII as limited by the Certificate of Formation, if such a limitation exists.

(m) Notwithstanding any other provision of this Article XIII, the Corporation shall pay or reimburse expenses incurred by a trustee in connection with his appearance as a witness or other participation in a proceeding at a time when he is not a named defendant or respondent in the proceeding.

(n) An officer of the Corporation and each member of any committee created by the trustees of the Corporation shall be indemnified as, and to the same extent, provided by Sections 13.2(g), (h) and (i) for a trustee and is entitled to seek indemnification under those Subsections to the same extent as a trustee. The Corporation shall indemnify and advance expenses to any officer, committee member, employee or agent of the Corporation to the same extent that it shall indemnify and advance expenses to trustees under this Section.

(o) The Corporation shall indemnify and advance expenses to a person who is not or was not an officer, employee or agent of the Corporation but who is or was serving at the request of the Corporation as a trustee, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise to the same extent that it shall indemnify and advance expenses to trustees under this Article XIII.

(p) The Corporation shall indemnify and advance expenses to an officer, committee member, employee, agent or person identified in Section 13.2(o) and who is not a trustee to such further extent, consistent with law, as may be provided by its Certificate of Formation, Bylaws, general or specific action of its Board of Trustees, or contract or as permitted or required by common law.

(q) The Corporation may purchase and maintain insurance on behalf of any person who is or was a trustee, officer, employee or agent of the Corporation or who is or was serving at the request of the Corporation as a trustee, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan or other enterprise against any liability asserted against him/her and incurred by him/her in such a capacity or arising out of his status as such a person, whether or not the Corporation would have the power to indemnify him/her against that liability under this Article XIII.

(r) Any indemnification of or advance of expenses to a trustee in accordance with this Article XIII shall be reported in writing to the Board of Trustees of the Corporation with or before the notice or waiver of notice of the next meeting of trustees and, in any case, within the 12-month period immediately following the date of the indemnification or advance.

(s) For purposes of this Article XIII, the Corporation is deemed to have requested a trustee to serve an employee benefit plan whenever the performance by him/her of his duties to the Corporation also imposes duties on or otherwise involves services by him/her to the plan or participants or beneficiaries of the plan. Excise taxes assessed on a trustee with respect to an employee benefit plan pursuant to applicable law are deemed fines. Action taken or omitted by him/her with respect to an employee benefit plan in the performance of his duties for a purpose reasonably believed by him/her to be in the interest of the participants and beneficiaries of the plan is deemed to be for a purpose which is not opposed to the best interests of the Corporation.

EXECUTIVE SUMMARY

The strategic plan is one of the most important actions taken by an organization. The Episcopal Foundation of Dallas (EFD) board determined a new three-year strategic plan was needed to set direction for the foundation's future. The last EFD strategic planning was conducted in April 2014 and revisited in March 2017. In 2018, The Richards Group executed a rebranding of the Foundation and developed a new mission and vision statement as well as strategic marketing goals with the board. McColm & Associates was hired to lead the fall 2021 and utilized the ToP® planning process.

Technology of Participation (ToP)® is a powerful collection of structured facilitation methods that transfer the way groups think, talk and work together. The methods enable highly energized, inclusive and meaningful group collaboration that led to successful outcomes.

Pework included environmental scanning and update on the member statistics of the Episcopal Diocese of Dallas as well as trends noted from the 2020 pandemic impact on the local Episcopal churches. A confidential board survey was sent prior to the first workshop assessing the composition of the board, strengths, and opportunities for EFD's future. The environmental scan work was executed by the Executive Director, Pam Fellows Jamieson, Board President, Robbi Rice Deitrich and staff Jill Hurt. We appreciate the work of this team in assisting McColm & Associates in planning, organizing, and executing the strategic planning process for the Foundation.

OVERALL Workshop Question

How do we, as trustees of the Episcopal Foundation of Dallas, position the Foundation over the next two to three years to utilize the resources entrusted to us, to increase funds available, and to strengthen the financial education for the parishes, schools and nonprofits located within our Diocese and maximize the impact of our shared community missions?

Rational Aim:

To plan and understand the opportunities that exist for the Foundation

Experiential Aim:

Instill ownership, commitment, and accountability for action

DAY ONE OPENING FOCUSED CONVERSATION:

What words come to mind when you think of the Foundation?

Convener; Supporter; Giver; Helper; Generous; Unrealized potential; Resources; Knowledge; Multi-faceted; Steward; Trusted; Misunderstood; Resources; Forward-thinking; Diocesan relationship; Stability; Focused giving; Engaged board

What are some key events and accomplishments of the Foundation?

Positive investment results; Hiring Pam as the Executive Director

What have been a big success for you as you support the work of the Foundation?

Community engagement is evolving; Grant process and impact. Forcing strategic planning to happen by putting it on our list.

Investment process. Results of The Richards Group market survey and branding. We are better at getting the word out. Quality and commitment of the board. Diversity. Getting to know other people in parishes. Commitment to diversification. Foundational work especially this workshop bringing us all together. A lot of 'firsts' in the first four years of new staff leadership – the organization is 'ready'. Professional presentations are ready to go. Completed tool kit. Conviction and dedication especially using Vanguard. The dynamic is strong and dedicated people have an in-depth understanding of the market. This organization is continually self-examining and is making the foundation grow i.e., the investment process, strategy work and research.

What events have been challenging?

Not following through on the last strategic plan. No measurable actions and not knowing how to set the last plan forward. Can we really go to "transformational" as a foundation? Are we set up with the right framework? Do we need KPI's to hold ourselves accountable? Does the board need to be more process oriented? Eugenia King made this foundation more successful by being more measurable for greater growth.

What do you hope to accomplish through this planning?

Become a beacon of light with everything cascading from there. Everyone is on the same page; Re-enforcing the good and moving forward on the mission. Knowing what we do well and identifying things we should be doing better. "Vision Cast" about what we want to do. Understanding our role better and how to help expand the mission. Financial education and match with our mission – are we focusing on our ministries? Ways to communicate our mission around our financial management. Individual board commitment in helping EFD achieve impact. Committees knowing their direction Disappointed we don't compete effectively with foundations such as St. Michael's over the \$5 Million threshold - maybe we need to admit we are not where we should be. Creating a strategy with a longer timeline so things get done. Organizational change that will make our planning a reality. A great plan if not executed will not move the foundation forward. Board members need to understand what makes us distinctive and the advantages the Foundation has for additional support.

Board of Trustee Survey Review Comments:

- *Define diversity for future Trustees with consideration of Episcopal faith, highly educated demographics, financial requirements and the people we serve*
- *Marketing and Storytelling is the key to a broader audience.*
- *The graph of our financials shows stability, but no movement up compared to inflation*
- *An “echo chamber” against ourselves can occur if we do not bring other outside voices “into the room”.*
- *Grants recipients know the Foundation. Should we consider an “Advisory Board of Recipients” and would this be worth the effort?*
- *How do we begin comparing ourselves against other Episcopal foundations?*
- *We as board members need to recognize that there is a finite universe that would meet the interest of investing in the Foundation. We should focus on this universe when making decisions on growth.*

FINAL FOCUSED CONVERSATION - DAY TWO

What words or phrases did you hear as we worked through our planning?

Use the wisdom in the room; Everyone's voices will be heard; Finding common goals; Trust the process.

Where did we struggle most?

Underlying contradictions – using negative words; Struggled not getting to tactical steps today.

What was the turning point?

The “aha” moment five minutes before we ended the strategic directions; “I did not see that coming” This has been a Kingdom Building Day; What we offer is to a smaller community; We offer continuity and expertise; Presentation by Andy Welch and Pam Jamieson was very helpful.

What is your new vantage point?

Our box is bigger – we have more things to do; I was waiting for a “reset” to be revealed; There is a lot more focus and concrete actions than I thought. There is no heavy lifting on any one person. This will not scare people away. I am a ‘newbie’ and today I see where I can be of assistance and what I can contribute.

90 DAY IMPLEMENTATION PLANS

See 90 Day Implementation Plans Addendum

FINAL FOCUSED CONVERSATION – DAY THREE

As we complete our third day, what were you hesitant about the planning process?

I was concerned that not as many board members participated on this day as the first sessions. More people will need to be aligned to the third days work; This must be top of mind moving forward; I was pleased to have the Bishop attend and help with the priorities of the diocese.

What surprised you with the work today?

How complicated it will be to re-design our grant structure. We have to quickly consider impact grants and other priority grants. Are we going to be able to follow through this time? This seems to be streamlined and opens up a whole world of opportunities. This process has been invaluable to me as a new board member. I think it has been important that each person has brought new ideas to the table and has contributed something to this effort.

What you want to see moving forward?

Growth; Progress; Direction; Engagement; Enthusiasm; Excitement; Cohesiveness; Energized; Stronger Reputation!

EPISCOPAL FOUNDATION OF DALLAS

Conflict of Interest Policy

Purpose

A charitable organization should adopt and implement policies and procedures to ensure that all conflicts of interest, actual or perceived, within the organization and the board are either avoided or appropriately managed through disclosure, recusal, or other means. A conflict of interest can arise whenever a trustee, committee member, or staff person's duty of loyalty to the charitable organization comes into conflict with a competing financial or personal interest that he or she (or a relative) may have in a proposed transaction.

In some cases, conflict-of-interest transactions violate the law; in other situations, they work to a foundation's advantage. Regardless of intention or result, however, foundations, their boards and their managers must act very carefully when dealing with transactions that are, or may appear to be, inconsistent with a foundation's interest for the following reasons.

First, conflict-of-interest transactions can create substantial legal liability, especially if they violate the self-dealing prohibitions for private foundations under the federal tax laws. In those situations, board members and foundation managers can be personally liable because they engaged in the transaction, approved them, or both.

Second, conflicts of interest carry very real risks of negative public perception. As charitable institutions provided with special tax status, foundations are expected to serve the public trust. When they engage in improper transactions – or those that give the appearance of impropriety – the damage can extend well beyond their good name and reputation.

Lastly, conflicts can compromise the decision-making process, preventing board members and foundation managers from having open and candid discussions and, in some cases, from acting in the best interests of the foundation.

Conflicts of interest should either be avoided or managed in such a way that the foundation and its board and managers are protected from liability or unwelcome publicity. A written conflict of interest policy that is enforced provides safeguards to prevent transactions that may violate the law or a fiduciary's duties of care and loyalty to the organization. A written policy can also help identify transactions that give the appearance of a conflict of interest before they occur. This policy is intended to supplement but not replace any applicable laws governing conflicts of interest applicable to nonprofit and charitable corporations.

Applicability

The policy set forth in this statement applies to all trustees, committee members, and employees ("interested persons") of the Episcopal Foundation of Dallas (the "Foundation") and applies to transactions between the Foundation and any interested person or a family member of the interested person, including spouse, parent, sibling, child, stepchild, grandparent or grandchild. It is difficult to define all potential conflict of interest transactions, but at least the following should be disclosed:

1. If you or any member of your family has an official relationship* with any bank, vendor, investment manager, broker or other entity with which the Foundation regularly does business.
2. If you or any member of your family has an official relationship* with any organization that has applied for or received a grant from the Foundation.
3. If you or any member of your family has applied for or received a grant from the Foundation.

4. If you or any member of your family has received, or is entitled to receive, any personal benefits from the Foundation or as result of your relationship with the Foundation (other than compensation directly related to your duties to the Foundation.)
5. If you or any member of your family has accepted a gift or favor from businesses and charities that have dealings with the Foundation.

*An “official relationship” is defined as an officer, director, employee, partner, proprietor, or owner of 10% or more of the stock.

Policies and Procedures

Acceptance of Gifts prohibited

Trustees, committee members, and employees shall not accept gifts, entertainment, or other favors from businesses or charities that have dealings with the Foundations. This does not include incidental gifts, such as reasonable meals in connection with business meetings or low-cost promotional gifts.

Duty to disclose

Trustees, committee members, and employees of the Foundations shall disclose any transactions or relationships involving a possible conflict of interest in regard to the Foundations.

Duty to recuse

When any matter involving a conflict of interest is under consideration by the Foundations, the interested person should abstain from any preliminary or final involvement with the matter, including initial review and discussion, as well as any vote at the committee or full board level.

Records of proceedings

The minutes of the board and all committees with board-delegated powers shall contain the names of persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the conflict of interest, and any action taken. Whenever a trustee or committee member abstains from participation in a committee or board vote due to a potential conflict of interest, the abstention should be formally recorded in the meeting minutes.

Periodic review

To ensure that the Foundations operates in a manner consistent with their charitable purposes and that they do not engage in activities that could jeopardize its status as an organization exempt from federal income tax, an annual review for any conflicts of interest shall be conducted by the Executive Director and reported to the Chairman of the Board of Trustees and the Audit Committee.

Confidentiality

All information concerning actual or potential conflicts of interest on the part of the trustees, committee members or officers of the Foundation shall be held in confidence unless the best interests of the Foundations dictate otherwise.

Administration of Policy

The Audit Committee of the Board of Directors shall have responsibility for overseeing the enforcement of this policy and shall report to the Board of Directors.

EPISCOPAL FOUNDATION OF DALLAS

Document Retention Policy

The corporate documents of the Episcopal Foundation of Dallas (the "Foundation") include all documents produced, whether stored as a hardcopy or in an electronic format.

The goals of this policy are:

- (1) to ensure that all non-critical documents are retained for the minimum period necessary to meet the needs of day-to-day operations;
- (2) to ensure that all critical documents, including those which may substantially affect the obligations of the Foundation or document the Foundation's compliance with the law, are retained for a sufficient period of time as to be useful to that end; and
- (3) to ensure that documents are destroyed only pursuant to a standard policy that has been developed for business reasons.

The Foundation expects all employees to fully comply with the Foundation's documents retention policy unless, the Foundation documents are relevant to litigation, or potential litigation. Then those documents shall be preserved until the Executive Director determines the documents are no longer needed. That exception supersedes any established destruction schedule for those documents.

Work related e-mail is a Foundation record and must be treated as such. It is the responsibility of the Foundation employees to manage email messages according to the Foundation's documents retention policy. E-mail that does not meet the definition of a Foundation document (i.e., personal e-mail or junk e-mail) should be deleted from the system right away.

E-mail correspondence which falls under one of the protected types of documents addressed in this policy should be saved by creating an electronic copy of it for the period specified in the policy. E-mail correspondence which does not directly fall under one of these categories may be kept as long as the staff member believes it is necessary but no more than two years.

Those documents whose continued preservation serves no useful purpose and may, in fact, expose the Foundation to storage costs and liability shall be promptly and systematically deleted and destroyed by the employee who generated them. These include, but are not limited to, personal e-mails and correspondence unrelated to Foundation matters; preliminary drafts of letters and memoranda if a final version has been retained; brochures and newsletters received by the Foundation unrelated to its activities; and any "junk mail" received by the Foundation

Attached to this policy is a Documents Retention Schedule. This Schedule sets forth the recommended retention periods for each category of documents. The categories are intended to be general and should be interpreted as including all types of documents relating to that category, including correspondence, notes, reports, etc.

Documents from the preceding list will immediately be destroyed after EFD's retention period has been met. The Controller will be responsible for this schedule and for the destruction of

documents, following these guidelines:

- (1) The retention period begins following the last day of the year in which the record is dated.
- (2) Documents may be discarded or destroyed at any time following the Retention Period.
The manner of discard or destruction will be determined with respect to individual privacy and corporate integrity.
- (3) Notwithstanding the retention schedule, documents may be retained for longer periods at the discretion of the Foundation's Executive Director.

This information is intended as a guideline for retention of documents; it is not a comprehensive list of all types of documents the Foundation might have. In addition, some individual documents within a given category will have more significance than others, depending on the circumstances, and may warrant retention beyond the time period indicated below.

Episcopal Foundation of Dallas Donor Advised Fund Guidelines

DRAFT 12.20.2022

Welcome

Thank you for your interest in a Donor-Advised Fund with the Episcopal Foundation of Dallas ("EFD"). We hope that this guide will serve as a useful resource as you begin a new philanthropic journey.

Inside this guide you will find an introduction and explanation for the Donor-Advised Fund as a giving tool as well as a handy "Quick Reference" divided into categories.

We hope this guide will serve as a resource for you, both in establishing your fund and in using it to achieve your philanthropic goals.

Please feel free to contact Executive Director, Pam Fellows Jamieson at 214 366-9996 or exec@episcopalfoundationdallas.org if you have any questions or want more information on Donor-Advised Funds or any of the other charitable options offered by EFD.

Mission

The mission of the Episcopal Foundation of Dallas is to support and strengthen faith communities by partnering wise investments with purposeful giving.

What is a Donor-Advised Fund?

One of the most effective and increasingly popular charitable vehicles in North America today is the Donor-Advised Fund. A Donor-Advised Fund established with EFD is a component fund of EFD. It is established by agreement between EFD and the Donor in consideration of an irrevocable contribution of money or property to EFD. The assets in a Donor-Advised Fund are owned by EFD. The Donor and designated advisors may *recommend* distributions from the fund to public charities whose purposes generally are in furtherance of the charitable goals of EFD which are ministries and poverty, specifically homelessness, food insecurity and health insecurity. These recommendations are advisory only, and EFD has the final authority to approve the grant recommendations. In exchange the Donor can receive an immediate tax deduction for the amount contributed if IRS regulations are followed.

Donor-Advised Funds create a broad base of financial support of the general community. They offer a simple and economical means for benefiting the community and encouraging family philanthropy. Donor-Advised Funds advance the values and goals of EFD by:

- Providing financial resources for critical human services in the local Episcopalian community and the general community.
- Reinforcing the positive perception of EFD as a philanthropic partner with the broader community.
- Providing a vehicle for the donor to support organizations that reflect their values and philanthropic goals

Advantages

What are the tax advantages of establishing a Donor-Advised Fund?

Donors who contribute stock and other appreciated assets are eligible for tax deductions, and they avoid capital gains tax. Also, there are many ways a charitable fund may help a donor reduce estate taxes, preserve retirement assets for family members and provide gifts for charity. EFD's professional staff works closely with attorneys, accountants and other advisors to help donors make the best choices for their families.

What are the advantages of establishing a Donor-Advised Fund compared to establishing a private foundation?

Because EFD is a public charity, there are fewer tax restrictions for gifts and grants than for a private foundation. Generally, donors receive a higher tax deduction for contributions. Additionally, donor-advised funds are typically not subject to excise taxes, and they have no payout requirement.

Who Benefits from opening a Donor-Advised Fund?

Episcopalians and North Texas Communities

Episcopalians and the local North Texas Area benefit from the relationship established between the donor and EFD which leads to an ongoing dialogue about investing in community programs and institutions to address challenges and meet needs of communities within the Episcopal Diocese of Dallas. Through efficient administration, sound investment policies, stewardship, and educational programming EFD builds relationships of trust with current and future donors, increasing the likelihood of enhanced giving and involvement. This includes future permanent endowment funds through estate planning and additional investment in EFD's Unrestricted Endowment Fund. In addition, the Donor-Advised Fund program provides additional opportunities for donor engagement in the community and gives EFD insight into individual donor priorities.

Furthermore, as nonprofit programs and charities outside of the Episcopal community benefit from the activities of EFD Donor-Advised Funds, EFD helps create and reinforce a more positive presence in the broader community. This, in turn, increases goodwill between the Episcopal community and local nonprofits, businesses and government, contributing to an environment that is favorable to the fulfillment of EFD's mission.

The Donor

Establishing a Donor-Advised Fund with EFD benefits the donor. One major advantage of a Donor-Advised Fund over a private foundation is the freedom the donor enjoys to give anonymously when the donor chooses.

When considering grants, the donor can benefit from the knowledge and experience of EFD's staff regarding the community's needs and the organizations that exist to serve them.

Donor-Advised Funds are a cost-effective alternative to a private foundation. Donors have no tax on investment income or capital gains earned in these funds. The donor receives an immediate tax deduction when he or she makes a contribution to the fund, yet can defer the decision about specific charities to support with these funds to a later date. Donor-Advised Funds are also significantly less expensive to start and maintain than private foundations.

Finally, Donor-Advised Fund donors are free from administration and record keeping. EFD reports receipts, disbursement and investment of Donor-Advised Funds in the aggregate, provides an independent audit, processes disbursements, mails checks to recipients and grant reports to donors, administers and invests the assets of the fund and issues regular financial reports on the status of the fund to the donor. All of this work leaves donors free to concentrate on the substance of charitable giving.

Frequently Asked Questions

Can I give assets other than cash to a fund?

Yes, you may contribute stock, mutual fund shares, and in many cases, privately held stock, real estate or other tangible personal property. Gifts of stock, both publicly traded and closely held, have become more popular in recent years because of the benefits of gifting appreciated assets. **EFD has sole discretion to establish the value of non-cash gifts.** [Need clarification here on how to establish appraisal of property.](#) [How will EFD be compensated for getting the appraisal?](#)

What is the minimum amount required to open a Donor-Advised Fund with EFD?

\$25,000.00

Am I allowed to make additional contributions to the fund? Is there a minimum amount?

EFD encourages additional contributions to the fund. You are entitled to a tax deduction each time you make an additional gift. Furthermore, other individuals or corporations may make gifts to the fund you have established. This is especially useful for gifts in honor of a special occasion or memorial.

Investments and Operations

How are Funds Invested?

Donor-Advised Fund investments are managed by our outside managers, Vanguard with oversight by the Foundation's Investment Committee. The funds are invested in the Foundation's pooled portfolio.

What are the fees?

EFD's asset management fee is .73% (computed based on quarter-end market valuation of total assets under management and are collected in arrears in the month after the quarter-end). All fees are collected quarterly from the fund itself, so donors do not pay any amount out of pocket. Fees are subject to change with 30 days' notice.

Can I close a fund?

Contributions to a Donor-Advised fund are irrevocable gifts to EFD. All money in the fund must ultimately be held for or disbursed to qualified public charities. However, because you reserve the right to make grant suggestions, you can terminate a fund by making grant suggestions equaling the entire balance of the fund to be disbursed to qualified nonprofit organizations.

Is there a minimum balance the fund must maintain?

Yes, funds must maintain a minimum balance of \$1000.

How often will I receive a statement?

Statements are available on a quarterly basis, approximately 15 work days after the end of a calendar quarter.

Fund Advisors

My spouse and I both want to be advisors. Is more than one advisor allowed?

Yes.

I would like my children to be involved. Is that possible?

Your children can be named a current or successor advisors - meaning that they will have the right to make grant suggestions from the fund. In addition, if you wish to engage in “family philanthropy” (meaning that several generations of your family will work together to support common interest or organizations over time) EFD allows you to name successors for up to two generations.

What happens to my fund after I die?

If you have named one or more successor advisors, they will have their right to make grant suggestions until their deaths. If you have not named a successor advisor or after the lifetime of your successor advisor, the fund will go to the EFD unrestricted endowment fund. Alternatively, you may wish to name a charity or field of interest for which the fund will be used after your lifetime.

Grant Distributions

What is the minimum grant distribution amount I can suggest?

\$1000

What are the restrictions on grant distributions?

By law:

- EFD can only make distributions for public charitable purposes. EFD will distribute only to qualified tax-exempt 501(c)(3) charities that are public charities (not private foundations).
- Similarly, EFD cannot make a grant that will enable a donor to receive material benefit of goods and services (e.g., raffle tickets, meals, event tickets, payments of a relative’s tuition to an educational institution)

Additionally:

- Grants can only be made within the geographic boundaries of the Episcopal Diocese of Dallas. (See attached map)

What do I do when an organization asks for a pledge?

A pledge is a promise that binds an individual to make a charitable contribution and satisfying a pledge through a grant from a donor-advised fund constitutes an impermissible benefit to that individual.

Why does EFD have the final authority to approve or deny the distributions?

IRS regulations require that a donor relinquish control over the gift at the time a contribution is made. Donors only qualify for a tax deduction if they give the money to a public charity and relinquish the right to control it. Consequently, EFD is legally empowered to approve or deny a donor's recommendations.

Are recommendations ever denied?

EFD reserves the right to review each and every recommendation on a case-by-case basis. If the recommended recipients are qualified public charities that fall within the general scope of EFD's mission, and there is no suggestion of private benefit to the donor, EFD will make every effort to honor the donor's wishes. In cases where recommendations are denied, they typically have been denied because they were to organizations that:

1. Do not qualify for federal tax-exempt public charity status; or
2. Provide material benefits of goods or services to the Donor as a result of the distribution (event tickets, meals, etc.)

To What Organizations can I recommend distributions?

The donor-advised fund can make distributions to any 501(c)(3) that is a public charity. Private foundations do not fall under this definition.

Can I recommend distributions to organizations outside the Episcopal community?

Yes, almost every qualified public charity in North Texas may receive grants from EFD's donor-advised funds. The exceptions occur where a charity's mission falls extremely outside the general scope of EFD's mission which are ministries and organizations addressing poverty in the area of homelessness, food insecurity and health insecurity.

Is there a limit to the number of grant distributions I recommend each year?

No. There are no restrictions other than the minimum balance requirement.

Do I have to make grant distributions every year?

You are under no obligation to make recommendations from the fund in a given year. We encourage fundholders to make a grant at least once every three years unless there are philanthropic plans that preclude this.

How do I make a grant recommendation?

1. Fill out the Donor Advised Fund Distribution Request and email to the Foundation. (See attachment)
2. Or, you can email our Executive Director to request a grant distribution.

How quickly will a check be cut once I submit my grant recommendation?

Checks are cut once a month at the end of each month. Recommendations must be received seven days prior to the end of the month. If the distribution recommendation is to an organization that has not been previously reviewed, that recommendation may take additional time for processing.

Can I remain anonymous when establishing a fund or recommending grants?

Yes. Advisors may request that grants be awarded anonymously. Some donors prefer to use a pseudonym when naming funds.

Executive Director Review Process

Overview and Purpose of the Evaluation Process

The Executive Director (ED) is the one employee that reports to the Board of Directors. As such, the Board is responsible for supporting, evaluating and collaborating with the ED as s/he pursues fulfilling the mission of the organization. The ED's goals are focused on accomplishing the organization's strategic priorities, which vary year by year but are grounded in the mission of the organization and a multi-year strategic plan.

The purpose of the ED evaluation is to provide support and feedback to the ED as s/he pursues the mutually established goals set out at the start of each year. As such, ongoing support – as well as the more formal evaluation process – work together to ensure the ED's ability to learn and develop as the organization's leader.

Annual Evaluation Process

Audit and Administrative Committee

The Audit and Administrative Committee is charged with overseeing the process of the annual evaluation of the ED. In addition, the Audit and Administrative Committee (collectively) provide ongoing support and input throughout the year.

Executive Committee

The Executive Committee is charged with implementing the evaluation of the ED and to recommend to the Board of Directors the salary and any additional contractual requirements for the following years. The Executive Committee (collectively) and the Board Chair (individually) provide ongoing support and input throughout the year.

ED Self-Evaluation

The ED is encouraged and supported to find the time for intentional reflection on his/her progress toward the mutually established goals set out at the start of the year. Once a year, the ED will prepare a written self-evaluation of his/her reflections and recommendations on how he/she can develop in the areas that will best benefit the future of the organization.

Acquiring Input

The Board of Directors recognizes the value of soliciting input from a representative group of constituencies. Each year, the Executive Committee, led by the Board Chair will solicit input from the Executive Committee members and Staff members. All input is collected and summarized in an Evaluation document and shared with the Board of Directors and with the Executive Director.

Review Meetings

A designated member of the Executive Committee or the Board Chair will conduct one annual review meeting with the ED before the November Investment Committee meeting. This meeting provides an opportunity to share feedback, ideas and explore any necessary adjustments to the budget, goals and/or workplan for the following year.

Board Report

The Board Chair will present to the Board in executive session the results of the end-of-year review meeting.

Salary Review

As part of the end-of-year review, the ED's salary shall be reviewed and adjusted accordingly, upon Board approval.

Calendar

October: The ED prepares a self-evaluation of progress (based on the goals and workplan) and submits the self- evaluation to the designated member of the Executive Committee and Board Chair. The ED drafts annual goals for the following year to provide input to the budgeting process.

The Board Chair or designated member of the Executive Committee solicits input from the Executive Committee and other board members for input and feedback for the ED.

November: A designated member of the Executive Committee or Board Chair has a year-end meeting with the ED to provide performance feedback (based on the goals and workplan). The Executive Committee agrees on annual goals before the November Investment Committee meeting.

Salary is reviewed, and any adjustments are recommended for full Board approval. Relevant documents are placed in the ED's personnel file. The Board Chair or the designated member of the Executive Committee reports on the results of the end-of-year meeting and proposes any salary adjustments for vote in closed session at the December board meeting.

December: The Audit and Administrative Committee, the Executive Committee, and ED review the evaluation process, adjusting as necessary. The ED creates a workplan that outlines how the goals will be operationalized and submits the workplan to the Board Chair for distribution.

Gift Acceptance Policy

Confidentiality

All information concerning donors or prospective donors including names and addresses, names of beneficiaries, the amount of gifts, nature and worth of estates, etc., shall be held in strict confidence by the Foundation and its personnel. Exceptions can be made only if donors grant permission to use selective material for purposes of referral, testimonial or example at the discretion of authorized representatives of the Foundation.

Legal Counsel

Prospective donors shall be advised to consult their attorney or accountant in all matters related to the tax implications and estate planning aspects of deferred gift arrangements. The Foundation shall consult with legal counsel in all matters pertaining to its deferred gift program and shall execute no agreement, contract, trust or other legal document with any donor without the services of legal counsel.

Restrictions

Donors may restrict the use of their gifts to a particular purpose or area of support provided that such restrictions are provided in written form and signed by the donor at the time of the gift; that restrictions comply with Internal Revenue code as it applies to the tax-exempt status of the Episcopal Foundation of Dallas; and that restrictions are compatible with the mission of the Foundation and are board approved. Gifts that are unrestricted by the donor may be designated for a particular program, project or fund.

Gifts of U.S Funds and Marketable Securities

The Episcopal Foundation of Dallas may accept unrestricted gifts of U.S. funds received via wire from a U.S. bank or financial institution or a check drawn on a U.S. bank or financial institution clearing through a U.S. Bank at any time. The Foundation does not accept currency.

The Episcopal Foundation of Dallas may accept gifts of marketable securities such as publicly traded stocks, mutual funds, municipal and corporate bonds, government agency bonds and bonds, bills and notes issued by the US Treasury. The Investment and Finance Committee has determined that all securities will be liquidated as soon as is practical and placed in the appropriate account to the extent specified by the donor and/or designated by the board.

Gifts of Real Estate

Real estate gifts include residences, rental property, land, farms, ranches, leasehold interests and commercial properties. Gifts of real estate will be accepted by the Foundation upon board approval and sold. Prior to the acceptance of any real estate gift by the Foundation, the donor must provide (including but not limited to the following):

1. A written appraisal of the property by a qualified, independent, professional appraiser, the cost of which will be borne by the donor;
2. A title policy for the property or title examination;
3. An environmental study; and,
4. A description of any liens against the property.

Donors of property gifts must seek their own legal and tax counsel in regard to all property gifts. The Foundation reserves the right to refuse gifts of property when it is determined that the donor

has not complied with IRS appraisal requirements or that the advice of an independent counsel is not being obtained.

Donors of property gifts will receive an acknowledgment of the gifts only when complete transfer has occurred.

Gifts of Personal Property

Gifts of personal property, such as jewelry, art, collectibles and similar items may be accepted and disposed of upon board approval. Prior to such acceptance, the Executive Director must obtain the following:

1. A bona fide appraisal or documentation of fair market value;
2. A written statement from a broker regarding the marketability of such gift;
3. A written statement from the donor regarding the donor's wishes regarding the sale of such gift.

Gifts of Life Insurance

The Episcopal Foundation of Dallas may accept gifts of life insurance through the following mechanisms:

- The donor may name the Foundation as the beneficiary of an existing life insurance policy. The donor will be asked to provide the Foundation with a copy of the policy and the beneficiary designation, with the understanding that the designation may be changed or revoked at any time by the donor.
- The donor may make a pledge and/or cash contribution to the Foundation with the proceeds of the gift to be restricted for the sole purpose of purchasing or maintaining life insurance at the direction of the donor. Provision must be included for future premium payments at the time of the gift.
- The donor may make a gift of insurance through the transfer of ownership of an existing paid up policy. The Foundation will become the owner and beneficiary of the policy and the beneficiary may not be changed at a later date by the donor.

Gifts of Mineral Assets

Gifts of producing oil and gas royalty interests may be accepted and disposed of subject to board approval.

Gifts of Closely Held Securities

Gifts of closely held securities will be accepted on a case-by-case basis upon board approval. The Executive Director must ascertain that such a transfer and subsequent sale does not violate any portion of the Internal Revenue code, regulations or rulings, or any state or federal law and does not jeopardize the tax-exempt status of the Foundation.

Deferred Gifts

Deferred gifts are those in which the property is irrevocably transferred to the Foundation but income from the property or a life estate in the property is retained by the donor. Charitable remainder trusts, pooled income gifts, life estates and other such gifts must be approved by the board prior to acceptance by the Foundation.

If the donor retains a life estate in a personal residence, farm or ranch, an agreement shall be executed between the Foundation and the donor which states that the donor shall be responsible for all upkeep, taxes, insurance and other expenses required for the maintenance of the property until such time as the property is transferred to the Foundation.

Gifts-in-Kind

Gifts-in-kind are tangible gifts other than cash, marketable or privately held securities, or real property. Gifts-in-kind of an undetermined value will be recorded at one dollar (\$1.00) and acknowledged as received with no value stated.

The gift value of a gift-in-kind is determined by the cost or fair market value of the materials on the date that ownership (possession) is transferred to the Foundation. Evidence of fair market value can be: (1) a canceled invoice for the purchase of the product by the donor; (2) a voided invoice from the donor to the Foundation, or a third-party appraisal.

The fair market value of a gift-in-kind does not include a profit margin or markup by the donor. Essentially, gifts-in-kind are made "at cost." Donor recognition will be based upon the value of the gift-in-kind as documented and recorded in the campaign records.

Service

Gifts of service are contributions of actual, billable service directly related to the business or profession of the provider. Gifts of services will be recognized at the level of actual expenses invoiced but not paid. Evidence of a gift of service will be a voided or canceled invoice stating the date, type of service rendered, quantity cost, total cost and amount to be contributed or forgiven.

Pledges

Payment of commitments to the Foundation may take the form of one or a combination of the following: cash, marketable securities, or real property that can be expected to be converted to cash within a reasonable time period. Commitments will be publicly recognized and/or commemorated consistent with the donor's wishes and the guidelines approved by the Foundation. Requests by donors for anonymity will be honored. Gifts will not be accepted where there is no charitable intent on the part of the donor. No verbal pledges will be recognized as having been made. Either a signed pledge or letter of intent must be in the organization's possession before a pledge is recorded. The normal pledge payment period for gifts to the Foundation will be one to three years. With Board approval, exceptions can be made for planned gifts. Donor recognition will be based upon the full payment of pledge commitments.

** "Board approval/approval of the board" as used in this document shall mean approval by a majority of the members present at a regular or called meeting of the board of directors, as provided for in the bylaws, at which a quorum of the board is present and provided that written notice of such meeting and the agenda items is provided to board members at least five days prior to said meeting. When approval at a regularly scheduled quarterly meeting of the Board cannot be obtained in a timely manner, the executive committee of the Board, in accordance with the preceding policies, may accept a gift on the Board's behalf, or may authorize the Executive Director to accept a gift.

EPISCOPAL FOUNDATION OF DALLAS

Investment Policy Statement

Organizational Summary

The Episcopal Foundation of Dallas is organized as a Texas non-profit corporation and is qualified as a Section 501(c)(3) exempt organization.

The Foundation is a separate, independent entity, organized and operating outside of the jurisdiction of the Episcopal Diocese of Dallas, The Episcopal Church and the Diocesan and General Conventions of the Church with its own independent Board of Trustees

Investment Objectives

The Board of Trustees of the Foundation is responsible for implementing the following investment objectives:

- A. Preservation of the assets through an investment return sufficient to offset inflation.
- B. Enhancement, where possible, of the assets through an investment return sufficient to achieve payout objectives and to preserve the real value of the corpus.

Definition of Responsibilities

The Board of Trustees has the final authority with respect to the invested assets of the Foundation and for the Investment Policy Guidelines adopted for the supervision of such assets.

The Board of Trustees shall appoint an Investment and Finance Committee ("Committee") of 10 members or less who will be responsible for the supervision of the investment portfolio of the Foundation, subject to the Investment Policy.

The Committee assists the Board of Trustees in carrying out its duties as follows:

- Develops and reviews the Foundation's investment policies.
- Ensures that the investment policies are disciplined and consistent.
- Allocates assets among investment managers and investment styles, including selection of acceptable asset classes, allowable ranges of holdings by asset class and individual investment managers as a percent of assets, the definition of acceptable securities within each asset class, and investment performance expectations.
- Communicates investment policies to the investment managers. The Committee will review investment performance at least quarterly to assure the policy is being followed and progress is being made toward achieving the objectives.
- Evaluates managers and total fund performance at least annually.
- Evaluates custodians, investment managers and consultants.
- Reports to the Board of Trustees quarterly.

Investment Policy Guidelines

The following guidelines have been established for investments. The standards and ratios are based upon current circumstances and may be revised by the Committee at any time.

ASSET ALLOCATION AND POLICY: Assets shall be invested with the care, skill, prudence and diligence, under the circumstances then prevailing, that a prudent person acting in a like capacity and familiar with such matters, would use in investing the assets of like character and kind.

Assets shall be structured to meet the liquidity requirements of the Foundation.

Outlined below are the long-term strategic asset allocation guidelines, determined by the Committee to be the most appropriate, given the Fund's long-term objectives and short-term constraints. Portfolio assets ("Portfolio") will, under normal circumstances, be allocated across broad asset and sub-asset classes in accordance with the following guidelines:

Asset Class	Sub-Asset Class	Target Allocation
Equity		75%
	Domestic (U.S.)	53%
	International (Non-U.S.)	22%
Fixed Income		25%
	Investment Grade Domestic	25%
	Investment Grade Int'l	0%
Alternatives		0%
Cash		0%

REBALANCING POLICIES: It is expected that the Portfolio's actual asset allocation will vary from its target asset allocation as a result of the varying periodic returns earned on its investments in different asset and sub-asset classes. The Portfolio will be re-balanced to its target normal asset allocation under the following circumstances:

- A. Utilize incoming cash flow (contributions) or outgoing money movements (disbursements) of the portfolio to realign the current weightings closer to the target weightings for the portfolio.
- B. The portfolio will be reviewed quarterly to determine the deviation from target weightings. During each quarterly review, if any Asset Class (defined as Equity, Fixed Income, Alternatives, or Cash) within the portfolio is +/-5 percentage points from its target weighting, the portfolio will be rebalanced.
- C. The investment manager may provide a rebalancing recommendation at any time.
- D. The investment manager shall act within a reasonable period of time to evaluate deviation from these ranges and promptly notify the Committee.

Prohibited Investments and Practices

Unless expressly authorized by the Committee, the Portfolio and its investment managers are prohibited from:

- A. Purchasing securities on margin or executing short sales.
- B. Pledging or hypothecating securities, except for loans of securities that are fully collateralized.
- C. Purchasing or selling derivative securities for speculation or leverage.
- D. Engaging in investment strategies that have the potential to amplify or distort the risk of loss beyond a level that is reasonably expected given the objectives of their portfolios.

Portfolio Monitoring and Performance Expectations

The Committee will monitor the Portfolio's investment performance against the Portfolio's stated investment objectives. At a frequency to be decided by the Committee, it will formally assess the Portfolio and the performance of its underlying investments as follows:

- A. The Portfolio's composite investment performance (net of fees) will be judged against the following standards:
 - 1. The Portfolio's absolute long-term real return objective.
 - 2. A composite benchmark consisting of the following unmanaged market indices weighted according to the expected target asset allocations stipulated by the Portfolio's investment guidelines.
 - a) U.S. Equity: CRSP US Total Market Index or a similar broad domestic equity index
 - b) Non-U.S. Equity: FTSE Global All Cap ex US Index or a similar broad international equity index
 - c) Investment Grade Fixed Income: Barclays Capital US Aggregate Float Adjusted Index and/or Barclays Global Aggregate ex-USD Float Adjusted RIC Capped Index (USD hedged)
 - d) Alternatives - TBD
 - e) Cash: Citigroup 3-Month T-Bill Index
- B. The performance of investment managers hired on behalf of the Portfolio will be judged against the following standards:
 - 1. A market-based index appropriately selected or tailored to the investment managers agreed-upon investment objective and the normal investment characteristics of the investment manager's portfolio.
 - 2. The performance of other investment managers having similar investment objectives.
- C. In keeping with the Portfolio's overall long-term financial objective, the Committee will evaluate Portfolio and investment manager performance over a suitably long-term

investment horizon, generally across full market cycles or, at a minimum, on a rolling five-year basis.

- D. Investment reports shall be provided by the investment manager(s) on a (calendar) quarterly basis or as more frequently requested by the Committee. EPISCOPAL FOUNDATION OF DALLAS

Spending/Distribution Guidelines

The Episcopal Fund and Trustees Fund are comprised of unrestricted assets. The intent of the Board of Trustees is that these funds remain unrestricted and not subject to any self-imposed limits that create designated net assets. For planning purposes and to demonstrate due diligence, this spending guideline has been established to aid in determining a reasonable amount of funds to distribute from these fund each year.

The Board of Trustees determines the amount to be distributed from the Episcopal Fund and the Trustees Fund using a “total return” approach. The total return of a portfolio is the combination of interest, dividends and other current net earnings, plus capital appreciation or less capital depreciation for the period. The total return concept will not only distribute current income from investments but may, over time, also utilize a portion of capital appreciation as part of the distribution rate.

The objective is to allow the Foundation to be as generous and as consistent as possible while preserving the value of the fund. Rather than being driven by Foundation earnings in the previous year, the amount distributed is determined by the average of the fair market value of the funds over the past five years. This method has the advantage of smoothing out and minimizing market fluctuations from year to year.

Episcopal Fund

The primary purpose of the Episcopal Fund is to support the Foundation’s grant program. The Episcopal Fund also supports annual operations of the Foundation through the administrative fee paid by all clients/accounts making up the investment portfolio.

The amount to be distributed from the Episcopal Fund each year for grants using a total return - approach is equal to an agreed-upon percentage of up to 5%, as approved by the Board of Trustees. The spending percentage may fluctuate each year and is a guideline.

Trustees Fund

The primary purpose of the Trustees Fund is to provide operating support to the Foundation.

The amount to be distributed each year for operating support from the Trustees Fund using a total return approach is equal to an agreed-upon percentage of up to 5%, as approved by the Board of Trustees. The spending percentage may fluctuate each year and is a guideline.

Other Consideration

In the event the Foundation is unable to support operations with revenue generated from administrative fees, operating support may be provided by the Episcopal Fund with Board approval. If that occurs, the amount available to grant will be reduced by the amount distributed to support operations.
